

IT HAPPENS ON HARDING AVE

Downtown Vision Advisory Committee

At the January 15th Commission Meeting, the Town Commission authorized hiring Redevelopment Management Association, Inc. to assist the Town with possibly creating a Business Improvement District (BID) for Surfside on Harding Avenue. A BID is a public/private partnership where property and business owners make a collective contribution to enhance the maintenance, development and promotion of their commercial district. Look for representatives of RMA as they conduct outreach to property and business owners in downtown Surfside.
